# 3-in-1 Satin (1 pot system)

The Ralston 3-in-1 Satin is a moisture-regulating, satin-gloss opaque stain which can be used as a base coat, undercoat and top coat on a variety of timber.

Exterior  
Interior

## Ralston 3-in-1 Satin

- Primer and top coat in one
- Easy to apply
- Good moisture regulation
- Highly elasticity

### Intended Use

On front joinery (e.g. as a one-pot-system), for both new and existing woodwork. Can also be applied over the existing traditional paintwork (after cleaning and sanding the surface).

Paints based on alkyd resin have tendency to yellow particularly in areas that are not exposed to UV light (interior paintwork). Our Ralston Aqua paints are a non-yellowing alternative for indoor use.

## Ralston 3-in-1 Satin

Theoretical Coverage *	14,7 m <sup>2</sup> /l
Drying Time Condition	20 °C / 65 % R.H.
Dust-Free Drying Time **	2,5
Tack-Free Time **	5
Time To Recoat **	18
